

Minutes of Meeting
on 24/7/96

Al - Birch Wastewater System

Time : 9:00 am on 24th July 1996
 Venue : Municipality of Al - Birch

Present : Mr. Munif Treish - MAB
 Mr. Munther Hind - MAB
 Mr. E. Schmechel - GTZ
 Mr. Izzat Sajdi - CEC
 Mr. Nawaf Rashid - S & R

1. The meeting was held upon the request of MAB to review the progress of works and discuss the issue of the selection of sites for the drying beds and the pumping station.
2. MAB informed the Consultant that a meeting with the Municipality of the Jerusalem (MOJ) was held on 22/7/96 to get their approval to use a site for the Lower South pumping station. MOJ requested that a meeting with their Consultant (Balasha Jalon) be arranged. A meeting was arranged on Monday 29/7/96 at 10:30 in Jerusalem.
3. The Consultant handed over a draft copy of the drawings and requested MAB to review and give their comments.
4. MAB requested that the Consultant mention to in the Tender Documents that the pretreatment unit needs no modifications and the Consultant should include its final design.
5. MAB requested that the Consultant include the methane gas power generation unit in the Tender Documents. The MAB will delete this item if this concept proves to be not feasible.
6. The Consultant informed the MAB that the Wastewater Treatment Plant Design Report was completed and is sent by DHL.
7. The Prequalification of contractors was discussed and it was decided that the advertisement date be 1st August in Palestine and Jordan. It was understood that Dr. Dahlem will advertise in Germany as well.
