

19. Reference to Jamil Hilal, "Class Transformation in the West Bank and Gaza," MERIP Reports, No. 53, December, 1976, pp. 11, 12. Probably, the unavailability of detailed occupational structure of employment for this segment of the population does not allow for a more careful class analysis.
20. This discussion of economic ownership versus possession is based on Nicos Poulantzas, op.cit., p. 19.
